Swimming Pool Renovation: Work on the swimming pool has commenced under the leadership of Mr. Kawooya Kasule, an esteemed Namasagali Alumni and teacher. His dedication to our alma mater is truly commendable.

Alumni Visit: We concluded the first quarter of 2024 with a visit to the school to express our gratitude to the current teachers for their dedication and hard work despite challenging conditions. Many thanks to those who made it to the college. The teachers were pleased with the visit and asked that we engage more often. Programs of zoom meetings will be put in place for this. We got a cash contribution of 810,000 and a beautiful cake, bus plus fuel and driver, matooke in kind.

Admin Block: 31,892,027

Swimming Pool: 7,100,000 (minus 500,000)

USA Account: 42,548,00 (Admin block)

Please note that most of this money is ringfenced for certain projects.

We also raised money for the Farm mangers house totaling 4,670,000.
Renovation will start in the coming weeks.

We are still waiting for permission from the ministry to demolish the old building. I have spoken to the Permanent Secretary and she has promised to speed up the process. Meanwhile, we are seeking permission to put this money in a savings scheme like UAP for now.

Thank you for your continued support and commitment to our Alma Mater.
Together, we can make a significant impact and contribute to the growth and development of our beloved college.

Best regards
