Dear Alumni,

As we approach the second quarter of 2024, we reflect on a busy and productive 14 weeks in the alumni calendar.

Generation Z home coming:

We began with the Generation Z alumni returning to Namasagali College, some for the first time since they left. This special occasion was graced by older alumni and VIP Celebrity Mr. Kigozi, also known as Navio. His visit generated immense excitement within the school and featured in national newspapers (New Vision). Mr. Kigozi's presence left a lasting impression on our students, providing much-needed inspiration and renewed determination to both students and alumni, empowering us all to strive regardless.

Fr. Grimes Annual Chess Tournament:

The tournament took place from May 5th to 8th. After a long hiatus, the college managed to form a team of students to represent the school for the first time in over 10 years. They performed admirably, and we aim to train them further with the help of alumni for future tournaments.

Alumni Group Insurance:

Our ongoing drive to secure insurance coverage for as many alumni as possible continues. It is crucial for us to take care of ourselves alongside supporting the college. The annual cost is 265k plus your alumni subscription of 50k. UAP are our underwriters.

And finally.....Iconic office Building Project:

The construction of the iconic building is underway, with demolition commencing today 17/05/2024. We have received cost estimates:

Total project cost: 310,052,700 UGS

Funds raised so far: 74,440,027 UGS

Please note that we have had to pay out for a few things in preparation for the building ie Geo tech research, Planning permission, Architect etc etc

We now need to begin fundraising to complete the project. Senior Architect Dan Musana is advising on everything technical with Harriet Ssozi serving as the project coordinator, assisted by John Paul Ssajabi.
